DIRECTOR OF CENTRAL INTELLIGENCE

Security Committee

Research and Development Subcommittee

4 March 1985

MEMORANDUM FOR: R&D Subcommittee Members and Observers

FROM: Executive Secretary

SUBJECT: Proposed Document Destruction Criteria

The Document Destruction Working Group has submitted a recommendation to change the current document destruction standards set by GSA. Please review the proposed changes, which are attached, for discussion at the next R&D Subcommittee meeting. We hope to reach a decision at the 21 March meeting on whether or not to forward the recommendation to SECOM for possible implementation by GSA.
